SUBJECT: Hot Topic Training for WIC Registered Dietitians – *The Transfer of Medications in Human Milk*

Please join the upcoming Hot Topic Training, *The Transfer of Medications into Human Milk* to learn about the safety of medication while breastfeeding. This training is presented by Marguerite Kelly and will include a discussion about the factors that influence medication transfer into breastmilk, how to identify potential risks of medications while breastfeeding, substances of concern, and tips for counseling the breastfeeding woman. You will leave with the knowledge and resources to answer common breastfeeding concerns.

Registered Dietitians and Dietetic Technicians who attend will be eligible for one CEU.

Please note though that to receive this credit the attendee's name and local agency number must be submitted at the beginning of the session. The presentation will be repeated twice to accommodate different schedules.

Session Dates and Times:

Tuesday, March 18, 2014, 12:00 p.m. – 1:00 p.m. CST
Monday, March 24, 2014, 12:00 p.m. – 1:00 p.m. CST
